CODE OF ETHICS AND AFFIRMATIONS FOR SCAF-SWIMMING OFFICIALS

Declaration of policy:

Schools have entrusted us to assist them in the educational development of their youth through athletics. The proper operation of such a process requires that officials be independent, impartial and responsible with the people they interact. These instructions are with both the public and fellow officials. The purpose of the Code of Ethics is to establish guidelines for ethical standards of conduct for all officials. The Code of Ethics does not exhaust the moral and ethical considerations of professional behavior and attitude. Compliance with this Code of Ethics depends primarily upon understanding and voluntary compliance, secondarily upon reinforcement by peer and public opinion, then finally, upon enforcement through disciplinary proceedings.

Affirmations:

1. I devote time, thought and study to maintain the highest standards of our sport. I strive to perform in as professional a manner as possible.
 - a. By acting within the governing rules and mechanics of competition;
 - b. By acting in a spirit of good sportsmanship;
 - c. By having a protective rather than punitive attitude toward enforcement of the rules;
 - d. By being impartial;
 - e. By maintaining my focus on observation, not expectation, nor anticipation, nor preference;
 - f. By insuring the conditions of a competition are fair and equitable for all participants.
2. I strive to work with fellow officials in a spirit of harmony and cooperation. I am respectful and courteous of others, cognizant that differences of opinion and interpretation may occur. I critically evaluate my performance after each competitive session as a step toward improvement and growth.
3. I resist every temptation and outside pressure to use my position as an official to benefit myself. Under all circumstances, I avoid promoting the special interests of any person or group of people other than the athletes we serve. I recognize that it is important to honor contracts regardless of possible inconvenience or financial loss. **I have read and follow the SCAF-SWIMMING CONFLICT OF INTEREST.**
4. I do not use illegal or recreational drugs or alcohol immediately before, during or immediately after any competition session where I am working or in attendance as an observer.
5. I have not engaged nor will I ever engage in any behavior that utilizes the influence of my position to encourage inappropriate sexual intimacy with any minor, athlete, coaching staff or any facility staff.
6. **I certify that I have not been convicted of a sexual offense, or a crime against a minor, or a crime involving illegal drugs which would prohibit me from contact with minors.**

I agree to abide by the SCAF-Swimming Policies and as an official that I am an independent contractor and therefore not covered by the Workers Compensation Statutes. I agree that it is my responsibility to comply with the appropriate statutes. I also agree to abide by the Code of Ethics. Failure to follow this policy may result in my termination with SCAF-Swimming. Further, I acknowledge that any training received does not guarantee employment from SCAF-Swimming as I am an independent contractor.
