 - b. **Big SCAF President Elect Candidates** – Election is October 15&16. Results will be compiled by the Election Committee. Currently Bill Sullivan is the only candidate. *Diana LaMar asked if all officials could receive a short bio for Bill Sullivan prior to voting since many new officials don't know him. Jeff Berry will follow up.*
 - c. **Books** – Big SCAF purchases NCAA Books for SCAF officials on the SCAF college list. This is a perk provided to these officials. Currently there are 35 on the list.
 - d. **Proposed Dues** – Discussion to decrease the SCAF dues to \$60 since each official is purchasing his/her own insurance. A sub-committee is looking at actual expenditures over the past five years. Jeff Berry is proposing a reduction in dues to \$45 for current officials.
 - e. **Website** – Steve Marshall continues to update and work on the SCAF webpage.
 - f. **Training** – Training will be like the 2021 training with Zoom meetings offered two times each week and in-person on-deck training. CIF mandates 18 hours of training so other trainings and/or experience can't be utilized. Dates should be announced on October 17 at the next Big SCAF Board Meeting. New OC SCAF members Daniel and Milton voiced that the Zoom training and on-deck trainings were excellent and very helpful. Larry Brennan offered to assist with diving training.

 - h. **Presidents Council** – All high school sports have seen a 30% decline in the number of officials. CIF is encouraging presidents to recruit more officials. Jeff Berry shared ideas that OC is pursuing – recruiting from Masters, and other venues. *Larry Brennan suggested that a*

CIF is increasing fees. A new fee structure is being presented for the 2022/2023 school year. Discussion followed. SCAF has organized a committee comprised of Mary Jo Swalley, Doug Glasser, and Jeff Berry to work on proposals with CIF. CIF will only work with approved officials organizations. SCAF swimming was commended for a great 2021 season during the midst of many challenges.

Question regarding the need to show proof of vaccination by schools. CIF is following up on this. As of now, only Sage Hill is requiring proof.

Discussion regarding CIF applications. Joyce Phelps oversees diving. Doug Glasser oversees swimming. Diving isn't paid and all dive judges are volunteers; swimming is paid. *Jeff Berry will follow up for written qualifications, criteria, and selection process for CIF officials for both diving and swimming.*

2. New Business (Jeff Berry)

Discussion regarding NFHS rulebooks. Robert Mitchell recommended that all OC SCAF officials are required to have a current NFHS rule book when on deck as part of the OC Policies and Procedures. *May be more challenging to add to P&P, so suggested that Steve Quan adds this to his assignor contract.
